 Clay and limestone

Surface area
 5 Hectares

Density
4000 vines per hectare

Grapes varieties
100 % Cabernet Sauvignon

Average age of the vines
20 years old

Average production
3 000 cases

The King of Grapes in Bordeaux

Château La Freynelle's 100% Cabernet Sauvignon wine originates 100% from the grape that has made the reputation of the greatest wines from Bordeaux. This wine is characterized by a wide aromatic palette ranging from rich fruit to slightly toasted notes.

> Cultivation method:

Sustainable agricultural farming. No systematic fertilization. Grass growing between the rows. Pest management in minimal doses. Single Guyot pruning.

> Vinification and élevage:

Mechanical harvest of grapes at optimum aromatic maturity. The grapes are crushed and de-stemmed prior to fermentation. Fermentation in thermo-regulated stainless steel vats at 25°C. Total maceration period of 15-25 days, depending on the vintage, parcel, and vat. Tasting is the only judge. The wines are aged with oak for 12 months. Regular racking of the wine to ensure the oxygenation necessary for integration of the wood and wine tannins.

> Serving advices:

While this wine is delicious when drunk young, it will also benefit from a few years of aging. Pairs wonderfully with poultry, red meats and cheeses. Serving temperature around 19°C.

TASTING NOTES

Beautiful brilliant garnet robe with violet reflections. Expressive nose of red fruits, spices and vanilla. Rich and fruity mouth with silky and harmonious tannins. Château La Freynelle's «Cabernet Sauvignon» expresses the richness, complexity and intensity of this grape variety. The outstanding terroir and expertise of the entire team at Château La Freynelle are revealed in this delicious, well-balanced red wine.
